Renowned Yahoo, Google speakers at IT conference

KUCHING: The 8th International Conference on Information Technology in Asia here will see the presence of bigwigs from Yahoo and Google.

The international forum is organised by Universiti Malaysia Sarawak's Faculty of Computer Science and Information Technology in partnership with Chief Minister's

Department's Information and Communication Technology Unit and Google USA.

Yahoo research lab vice-president Prof Ricardo Baeza-Yates, Dr Patrick Larvie from Google USA and Prof Michael Wagner from University of Canberra, Australia have been invited as keynote speakers for the forum themed "Smart Devices Trend: Technologising

Future Lifestyle".

Two more speakers are also invited namely Prof Duncan Fyfe Gillies from Imperial College, London and Dr Seng W Loke from La Trobe University, Australia.
